

How to create a single-sided regular guide:

Step 4. Staple the pages together on the two staple icons

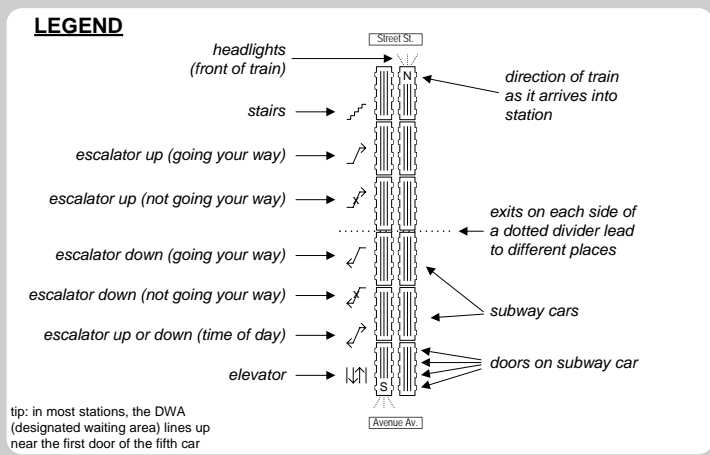

Step 3. Place the last (bottom) page upside down, so that it appears on the back of the guide

Step 2. Place pages on top of each other, putting the top page on top, continuing along with page 2, page 3, etc.

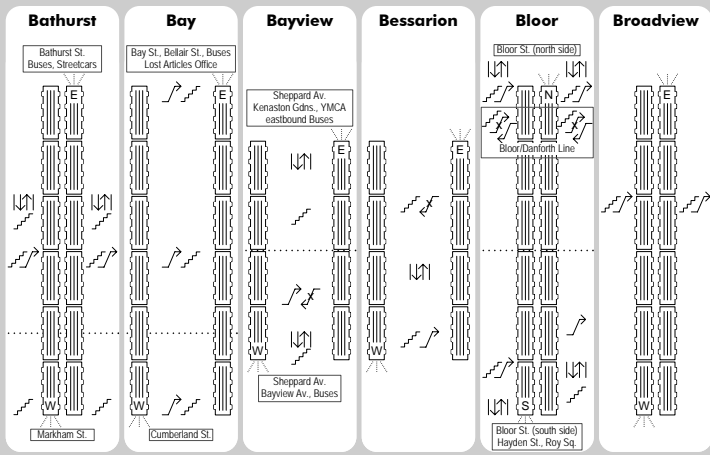

Step 1. Cut pages out along dotted lines

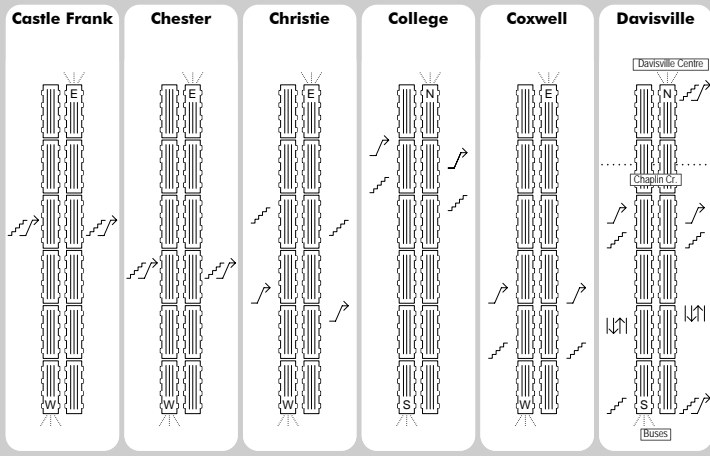

} top page

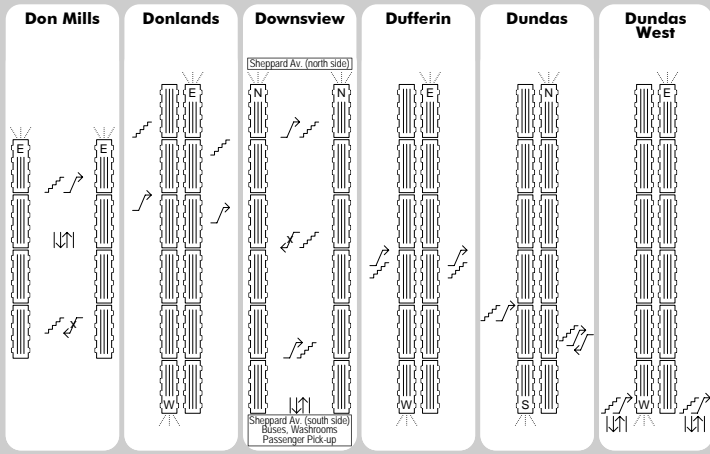

} page 2

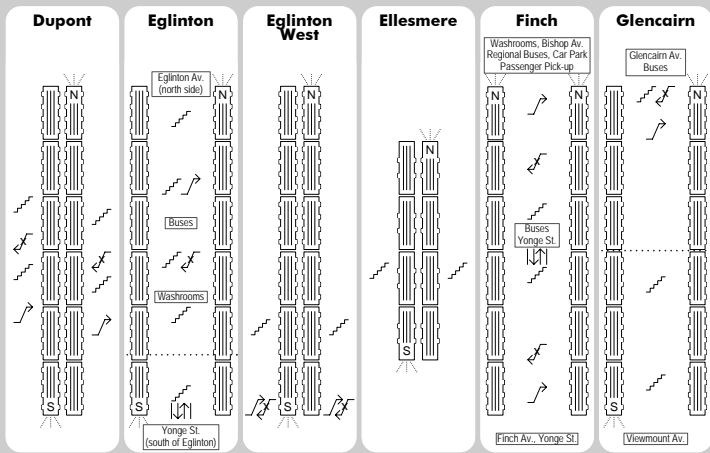

} page 3

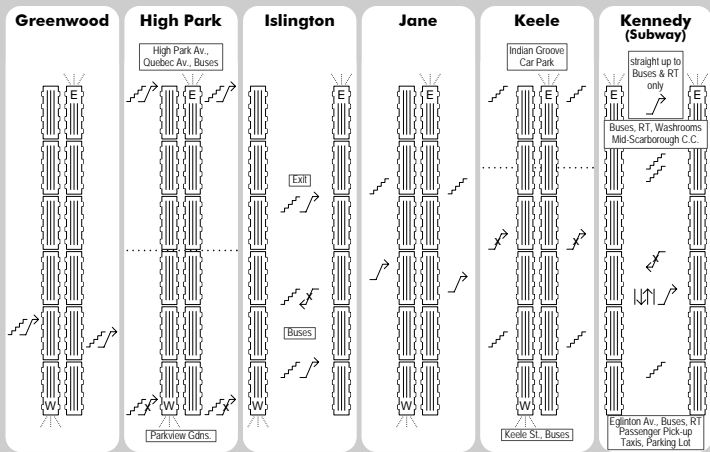

} page 4

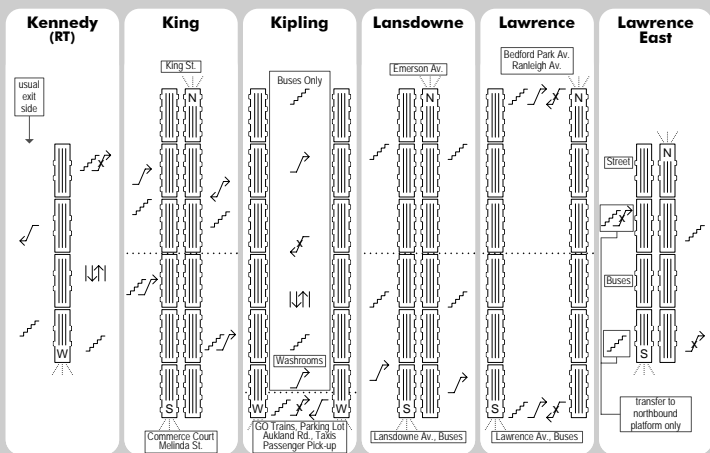

} page 5

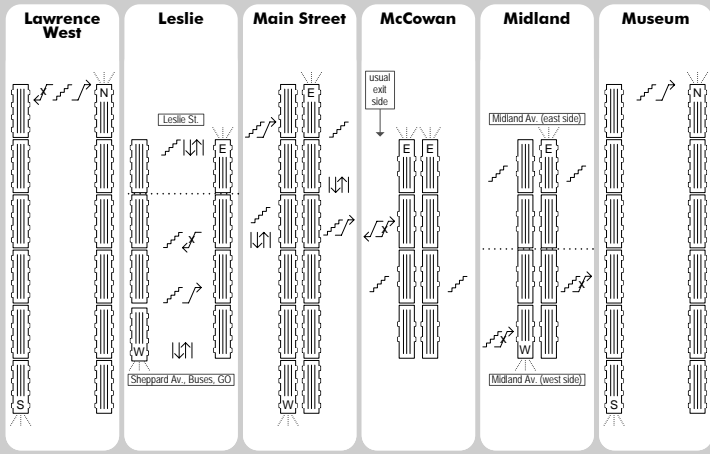

} page 6

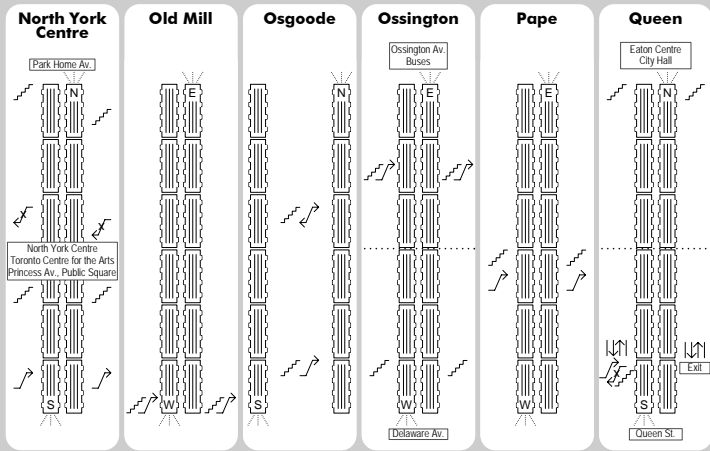

} page 7

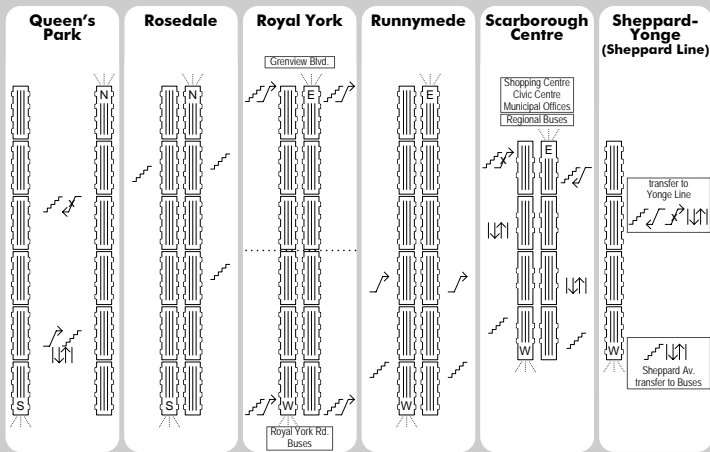

} page 8

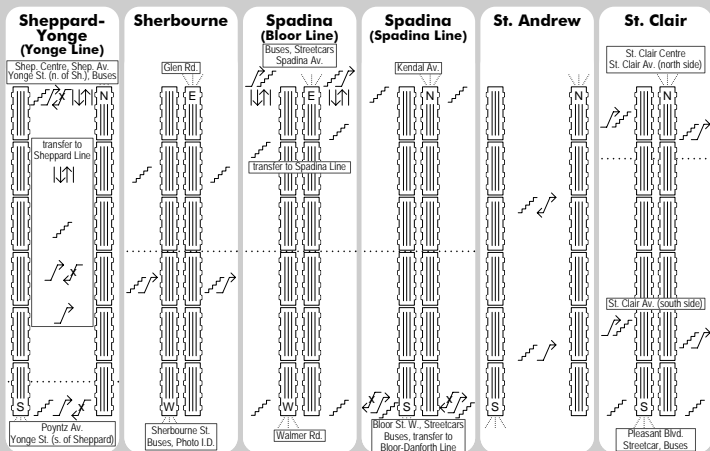

} page 9

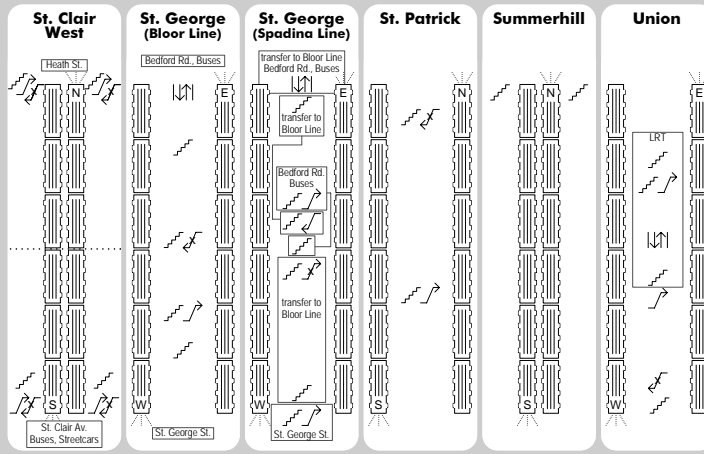

} page 10

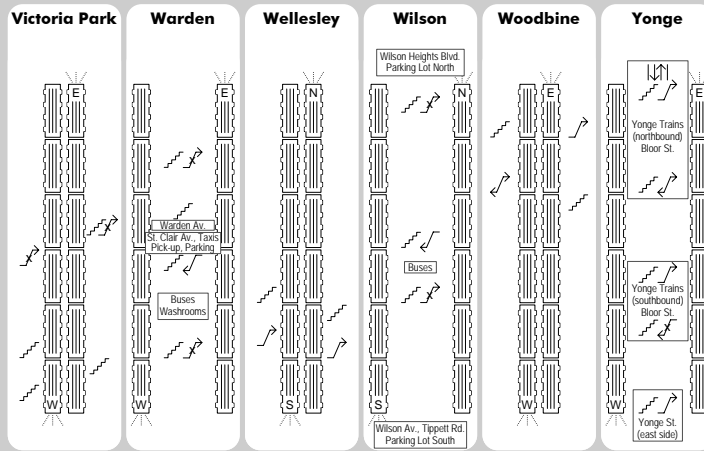

} page 11

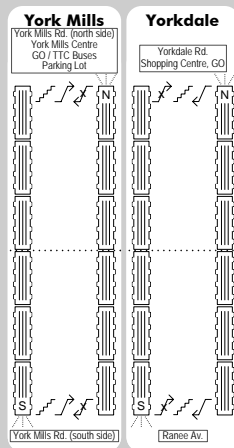

} page 12

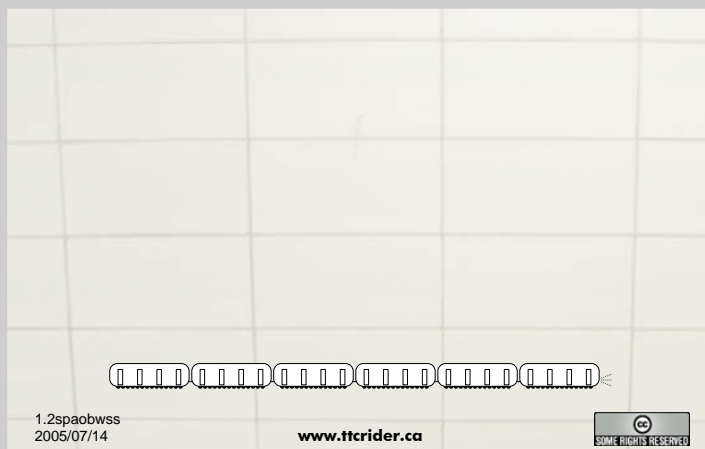

} page 13

} page 14

} page 15

} bottom page

- put this page upside down so that it appears as the back of the guide
